RULES

Reserving your booking: Bookings work on a first come, first served basis. Your booking will be reserved as soon as payment is made and your time has been confirmed. If you attempt to book on a date and there is a conflict, we will help you find an alternative time or date. If nothing is compatible you will be fully refunded.

Rental time: Your allotted rental time is exactly the duration that you've booked. Your time ends when the last person in your group walks out of the studio. If you require extra time to set up or break down, factor this in to your time. For any time that you are in the studio after your scheduled duration, you will be charged an over-time fee of \$75 per hour, rounded up to the nearest hour.

Damage Deposit: A \$500 damage deposit is required for each rental. If damage to any equipment or property is sustained during your rental, we will deduct an amount proportional to the damage from your deposit as we see fit. This includes damage to the rental space itself, as well as damage to the equipment provided with the space such as ladders, stands, v-flats (polystyrene boards), and any other items included with your rental.

Cleaning Fee/ Marking the whitespace: As we strive to ensure that the studio is in pristine condition for each guest, a fee of up to \$100 may be deducted from your damage deposit if space is left in unusually poor condition, or if the white walls are marked. Normal usage will not be charged.

Paper Backdrops: Use of our paper backdrops are included with each rental at no cost, if left unmarked. Marked/scuffed or otherwise unusable paper is charged at \$5/ft up to the point where it must be discarded, at the sole discretion of the studio representative.
